To: 1 Crocheting Artist, From Another.

I guess if you're a beginner in crocheting, this may be a little harder for some to understand. I've been crocheting since 4-5 yrs. old, I have been crocheting for almost 40yrs. now. This isn't for a beginner. Experience is necessary to understand whole pattern, but don't get discouraged, Try, Try, & Try again. It will become clearer to understand!

May I print the pattern for myself to take with me when I travel for use? It's beautiful...

Hi

Do you have a full written pattern of this dress?

The chart is not clear.

The chart is not clear. The first row does not indicate how many stitches to skip between DCs and sl sts. Please advise.
